

# PRAYER CALENDAR - MARCH 2024

## Sundays

### CELEBRATION

March 31st, the final day of this month, brings us to the greatest celebration of all time

✝️ Resurrection Sunday ✝️

Many across the globe will celebrate with a Sunrise service that reminds us that the women arrived at the tomb of Jesus to prepare His body for a bleak burial but found a glorious sunrise celebration had taken place and the angels boldly said to them,

***"He is not here, He has risen!"***

## Mondays

### MIRACLES

Algerian women gather online to pray and study the Bible.

Their churches are no longer open, but their hearts are wide open, and God is listening to their prayers.

In a recent month, two miraculous healings took place as they cried out to God together.

***And He heard the voice of their tears!***

## Tuesdays

### TESTIMONY

Jesus told us that we could overcome the enemy who falsely accuses God's children. Yet we have hope as His Word says the accuser will be overcome by the blood of the Lamb and the word of our testimony.

***(Revelation 12:10-11)***

The women we serve in West Africa have powerful testimonies that they are proclaiming boldly to the next generation of young women through their work at Amevivina Care Young Women's Academy!

## Wednesdays

### WINNOW

John the Baptist came to this world to prepare the way for Jesus. John said that Christ would "winnow" the grain and gather the wheat into His barn.

This farming metaphor speaks of what will happen when Christ comes the second time. We can prepare for His second coming as we "winnow" the intents and motives of our hearts and as we share the Good News of His imminent return!

## Thursdays

### THIRSTY

The Bible reminds us that Jesus cried out from the cross, saying, ***"I thirst."*** And it also reminds us that Jesus told the woman at the well that He had the gift of living water, and all who believe in Him will never thirst again.

Women in Asia experience the living water of His love through WIW and just like the Samaritan woman, they run to tell their villages that Jesus is the River of Living Water.

## Fridays

### FINISHED

The final words of Jesus on the Cross, "it is finished!" He had finished the work God had sent Him to do in this world and He had fully paid for our sins and brought us full salvation. "Fullness" is our word for 2024. Only because Jesus emptied Himself and finished His life on the cross can we experience the fullness of Life now and forevermore. Women and girls in the "window" need to know that God so loved the world that He gave!

Thank you for giving so that we can tell them!

## Saturdays

### SILENCE

Silent Saturday is a specific day to sit in silence and ponder God's amazing grace.

Spend some time each Saturday in March remembering and rejoicing in His amazing love for you as you sit in silence, too.

**PRAY**

As you do, will you pray for women and girls who have no voice in their cultures?
