

PRAYER CALENDAR - MAY 2024

Sundays

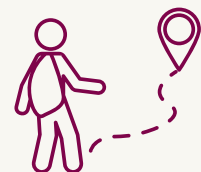

REFUGEE MAMAS

May is the month we celebrate our mamas. Every Sunday in May, we ask you to bring the women on the refugee camps we serve to the Lord in prayer.

These women have faced intense persecution and STILL chose freedom in the face of fear.

We currently serve refugees in South Sudan, Egypt, Uganda, and Lebanon.

Mondays

A TIME FOR PRAISE

Our ministry partners in West Africa seem to be in constant celebration for what the Lord is doing in their region. Most recently they celebrated their soap making trainings.

Developing a micro-business is a life saving venture for these women who achieve far more than an income and the ability to support themselves.

They receive purpose, passion, and an opportunity for gratitude to our God for His provision!

Tuesdays

FACES OF THE FUTURE

Our Faces of the Future Initiative is underway and we are ecstatic to announce that we have raised \$10,250.26 towards our \$25,000 goal!

Please join us in prayer every Tuesday as we bring this goal before the Lord.

Reaching the women of the future will allow us to carry forward God's plans for the 10.40 window through the many programs and partnerships we have across the countries we serve!

Wednesdays

JUST A GIRL

Across the world over 60 million girl babies are 'missing' – killed for being a girl.

In just one Muslim nation in the Middle East, over 1,000 women a year are murdered in the name of 'honor' - killed for being a girl.

In South Asia, acid attacks on women because of dowry disputes are frequent, often leading to blindness, disfigurement, and death - injured for life for being a girl.

Please join us in prayer for these precious girls!

Thursdays

EDUCATIONAL INITIATIVES

Nearly 25 percent of all girls in developing countries have not completed primary school.

Out of the 774 million people in the world who are illiterate, two-thirds of them are women.

Women in the Window is dedicated to multiple educational initiatives to help make these statistics part of the past.

Pray with us that we can break this mold for future generations!

Fridays

RUNNING TO HOMEBASE

We are so grateful for our amazing sisters in Christ and ministry partners from Algeria, Egypt, Jordan, Lebanon, Iraq and Iran who gathered together to learn and to grow as leaders.

Will you pray for each one as they return home to develop a strategy of even more effective ministry?

Colossians 1:28-29

Saturdays

SOUL SUPPORTERS

Are you a Soul Supporter?

A Soul Supporter has been called to give a recurring monthly gift to the ministry.

Please take a few moments each Saturday in May to pray for more Soul Supporters to find their way to WIW. We have so many lives to change and this support makes it possible! If you would like to become one, head over to our donate page!
