PAKISTAN

SO LOVED 2026

Pray for the persecuted Church served by WiW throughout the 10.40 window, asking God to miraculously open the windows of Heaven so that our WiW ministry partners can reach the unreached with the Good News of Christ's love for them –

John 3:16.

Pray for the distribution of Hindi Essentials into the northern states of India!

Persecution is on the rise in India, especially in the northern states. However, our WiW ministry leaders are planning to hold covert Essentials workshops in Punjab and other Northern States!

African women living on Refugee Settlements are often harassed and helpless without hope in this world BUT they find hope in the Gospel and through the Church.

Pray for Mama Paula and her Women of Hope trainings as they continue to transform lives, leaders, families, churches and Kiryandango Refugee Settlement

North African women leaders like Karima, are strengthening the persecuted Church through small covert meetings. **Pray as she leads women through Essentials now translated into their local Berber language, asking God to provide through So Loved. And pray for God to open the doors for Karima and her husband to visit us here later this year!**

Preparations are underway for our WiW follow-up trainings in the Middle East as we gather MENA women leaders in Egypt and Lebanon this Spring. They will have a second level training of Your Story Matters and they will incorporate trauma and inner healing tools. **Pray that plans will be ordered and anointed by the Lord as our team prepares to serve!**

Pakistan is in the top 10 list of persecuted nations in the world. WiW is thrilled to open a new partnership in Pakistan this year as we complete the translation, publish, print and train women leaders to discover the essentials for a meaningful life and eternal legacy!

Join us as we pray together with our new ministry partner in Pakistan, this first Friday!

Essentials has now been translated into 10 languages (Farsi, Arabic, Hindi, Portuguese, French, Spanish, Nepali, Bengali, Berber and Urdu) which provides our ministry leaders throughout the Middle East, Africa and Asia a valuable tool to minister deeply to women in their own nation and people group.

Pray that our SO LOVED goal will be reached and exceeded so that we can provide for their tools and their trainings!
